Social Media is a tool that is becoming quite popular these days because of its user-friendly features. Social media platforms like Facebook, Instagram, Twitter and more are giving people a chance to connect with each other across distances. In other words, the whole world is at our fingertips all thanks to social media. The youth is especially one of the most dominant users of social media. All this makes you wonder that something so powerful and with such a massive reach cannot be all good. Like how there are always two sides to a coin, the same goes for social media. Subsequently, different people have different opinions on this debatable topic.

As far as advantages are concerned, the most important being a great device for education and live lectures are now possible because of social media. You can attend a lecture happening in any corner of the world while sitting at home. In addition, it strengthens bonds with your loved ones as distance is not a barrier anymore. Most importantly, it also provides a great platform for young budding artists to showcase their talent for free. You can get great opportunities for employment through social media too.
